.The 1903-04 season of the Washington Saengerbund was formally begun last Him." These thoughts were expressed at night with a musical entertainment at the club's home, in C Street northwest. Mrs. Kitty Thompson-Berry, William D, McFarland, Emil Ermert, Otto Lehnert and Sol Minster were the soloists. Donch's orchestra was heard in several numbers, and the Saengerbund chorus, under the direction of Henry Xander, gave two numbers in fine style.

The large hall was crowded almost to suffocation, again emphasizing the necessity of ampler quarters for the club.

of the evening was Mrs. Berry's singing of Mascheroni's "The Death," with violin obligato, by Mr. Minster. Mrs. Berry was in fine voice, and delighted her hearers. In breadth of tone and interpretation, Mr. Minster's performance of obligato was especially pleasing. Mrs. Berry was forced to respond to the applause, and gave Reinecke's "Spring Song" with much life and color, Mr. Minster again playing the obligate.

SEASONABLE FOOD SUPPLIES ON MARKET BENCHES.

The outlook for a good market this week is bright, providing no storms interfere. Larger and better supplies are being shipped to Washington to meet the demand. This morning spring chickens were quoted at 17 cents a pound, fowls at 16 cents. Duck's were a little higher, and brought 18 cents, as did geese. Turkeys were still at 18 cents a pound, though there was a larger number on the benches. Poultry is starting well this week and will continue so.

The supplies of vegetables were limited this morning, though there was small change in prices. The fact that the farmers do not bring their supplies to the market on Monday makes a large difference in the market. Cauliflower run as high as 15 cents to 20 cents. Cabbages, on the other hand, bring 5 cents to 8 cents, tomatoes were still at 15 cents a quarter of a peck, onlons at 13 cents, and potatoes, of which there is a good crop this year, 8 cents.

Ducks were scarce this morning, being \$1 to \$1.50 a pair. Squabs were sold

for 30 cents apiece, a high price for squabs. Eggs still continue at 25 cents a dozen. How long it will be before they go

up again is not known. Butter and cheese remain the same. The fish market was good this morning. There were plenty of small blues to be had at 8 cents to 10 cents a pound. Spanish mackerel is still bringing 25 cents a pound. The prices of most fish remain about the same as those of last

Mr. Whitcomb and Miss Loring came to town on marriage bent, but on different trains. They were to meet at a hotel. They were unaware that Eleanor's father and mother had followed close behind their fleeing daughter until the young man espied Papa Loring in the hotel lobby.

Harold made a dash for the door and jumped into a carriage, in which he supposed he had placed his sweetheart a very few minutes before. As he shouted to the coachman to drive as fast as he could to the nearest clergyman's he turned and found his companion to be not Eleanor, but Eleanor's mamma.

BISHOP RESTARICK ON MISSION WORK IN HAWAII

Describes the Christian Labors Among the Natives of the Islands.

The Right Rev. H. B. Restarick, D. D., Bishop of Honolulu, Hawaiian Islands, here to attend the congress of Episcopal bishops, preached yesterday morning at St. Mark's Church before a large congregation. His topic was the mission work in Hawaii.

Earnest missionary work is needed in no other place so much as in the islands, he said, where three classes of numan beings exist, namely, the natives, Chinese, and Japanese.

As it was then, so it is now, declared the bishop, and no matter what a man's vocation may be he should use his opportunities and abilities as preparation for still higher work.

Bishop Dunn drew attention to the rapid spread of the English language and the influenc of English-speaking people. The spread of the language had placed the Anglican church in a unique position, he said, affording it excep-tional opportunities for good. This had placed a great responsibility upon the
